

Bessacarr Primary School- Sports Premium Overview.

At Bessacarr Primary School we believe Physical Education, Sport and Games provides the potential to change our pupil's lives for the better.

Through these activities our pupils learn to develop the important qualities of discipline, resilience, communication, team work and ambition, leading to improved concentration, attitude and academic achievement. Encouraging pupils to lead healthy active lives.

The government has given 'Sports Premium Funding' to improve provision of PE and Sport in Primary Schools. We are using this resource to develop PE, Sport and Games lessons of quality, alongside other opportunities for sports and clubs for our pupils.

'Schools must spend the additional funding on improving their provision of PE and Sport, but they will have the freedom to choose how they do this' (DfE June 2013)

We are working with 'Fit 2 Play' to develop and ensure high expectations in PE, Sport and Games.
